

Lars Battle

Senior Editorial Coordinator
PYXERA Global

Lars manages the content pipeline for the *Global Engagement Forum: Online* and print magazine, curating compelling stories on the dynamics of cross-sector partnership, strategic CSR, and shared value initiatives.

He previously served as Director of Institutional Development at Long Way Home, a nonprofit operating a school in the Guatemalan highlands, to expand educational opportunities, create jobs, and present strong incentives to protect the local environment, primarily by providing local youth with vocational training in green building. Lars holds a BA in economics and a master's in natural resources management.
