

Leong Chee Tung

CEO
EngageRocket

CheeTung is committed to bring the same level of analytics, sophistication, and scientific rigour to managing people as is currently applied to managing finance and customers. He is the CEO of EngageRocket, an HR tech startup that helps to automate employee experience insights across the lifecycle of each employee.

Before becoming an entrepreneur, he was Regional Director of Gallup in Southeast Asia. He read Economics at the University of Cambridge, and has an MA in Political Science from Columbia University under the Singapore Armed Forces Overseas Scholarship (SAFOS).

EngageRocket has been named one of 20 Hottest Startups in 2018 by the Singapore Business Review, and has been featured in multiple outlets like Forbes, Bloomberg, Channel Newsasia, Tech In Asia, The Straits Times, The Business Times, NewsRadio 93.8, Money FM, Berita Harian, e27, DealStreet Asia, and others.
