

Leigh Betancourt

Head of Client Solutions
Carrot Fertility

Leigh Betancourt is the Head of Client Solutions at Carrot Fertility. As a former Customer Success professional, she combines her experience supporting customers with her deep understanding of fertility care to provide in-depth expertise to HR benefits teams as they consider their options for fertility benefits. Leigh comes to Carrot with extensive experience in the consumer health space. Before joining Carrot, Leigh held positions with Spring Fertility, Reproductive Science Center, and The American Cancer Society.
