Erika Karp

Managing Director, Head of Global Sector Research
UBS Investment Bank

Erika Karp serves as Chair of the Global Investment Review Committee, managing the UBS Global Sector Research effort encompassing analysts and strategists around the world. She is a member of the UBS Research Managing Board, the Americas Equity Business Committee, and was appointed to the IB Board in 2007. Additionally, she represents UBS Investment Bank Research on behalf of the UBS Wealth Management Investment Office in Zurich. Formerly, in her capacity as the Global Head of Research Product Management, she was responsible for developing the UBS family of equity research products and processes. She created and oversees the trademarked UBS “Q-Series” global research initiative which has been profiled in publications including *Investment Dealer’s Digest*, *Euromoney*, *Thomson Extel* and the *Enhanced Analytics Initiative*. Other trademarked recognized research includes the “UBS Global I/O”, the “Global Portfolio Manager’s Spotlight”, “Compelling Analogies”, and the “Global Bear”.
