Sam Howard
Director, Enterprise Internet Solutions
State Farm Insurance

Sam Howard has been with State Farm for 10 years with the majority of that time focused on Information Technology. Currently Sam is sponsoring the State Farm Information Workplace Initiative. Information Workplace is the next generation digital work environment, providing better access to information, tools, and people. Information Workplace will provide State Farm associates a seamless, integrated, digital work environment, personalized for the employee's role, needs, and preferences, delivered on multiple devices. The goal is to increase productivity by enabling and enhancing communications, collaboration, content, and search capabilities.
