Krishna Medepalli
Technical Director, House Hold Care
P&G

Krishna Medepalli has spent his career at P&G, involved with multiple launches of global products. Born and raised in India, he has degrees in chemical engineering from India and the US. He is focused on connecting people globally to make ideas bigger and better and bringing new business to market. He has been involved with the global launches of Febreze, Downy and many other Procter & Gamble products. A current focus is the significant reduction of water usage.
