

Michelle Nunn

President and CEO
CARE USA

Since July 2015, Michelle Nunn has been president and CEO of CARE USA, a leading humanitarian organization that fights global poverty and provides lifesaving assistance in emergencies. In the last fiscal year, CARE worked in 100 countries and directly reached nearly 70 million people.

Nunn took the helm of CARE in 2015 and is spearheading an ambitious strategy to support 200 million of the world's most vulnerable people to overcome poverty and social injustice by 2030. Under Nunn's leadership, CARE has invested in innovative new programs and partnerships with private corporations and other nonprofits to increase its impact. Since assuming leadership of CARE, Nunn has set a goal of increasing CARE's micro-savings program from 7 million participants to 60 million participants by 2028.

Before joining CARE, Nunn had built an illustrious career of civic and public service as a social entrepreneur, a nonprofit CEO, and a candidate for the U.S. Senate. She co-founded the volunteer-mobilization organization Hands On Atlanta and expanded it from a single entity to a national network of more than 50 affiliates. Nunn oversaw that group's merger with Points of Light, creating the world's largest organization dedicated to volunteer service, with affiliates across the globe engaging more than 70,000 corporations and nonprofit organizations. Nunn served as Points of Light CEO from 2007 to 2013.

A Phi Beta Kappa graduate of the University of Virginia, Nunn majored in history with a minor in religion and earned her Master's Degree in Public Administration from the Kennedy School of Government at Harvard University. She also received a Kellogg Fellowship to study faith and social justice in more than a dozen countries, from Peru to Namibia to Jordan.

Nunn currently lives in Atlanta with her husband, Ron Martin, and their two children, Vinson and Elizabeth.
