Cindy Ortega

Senior Vice President, Energy and Environmental Services Division
MGM MIRAGE

Cindy Ortega is Senior Vice President of the Energy and Environmental Services Division of MGM MIRAGE. She oversees the development and implementation of strategies for environmental responsibility and awareness throughout the company. These include natural resource conservation, sustainable new construction, and environmentally sensitive company operations. Cindy is also responsible for the oversight and achievement of LEED certification for the \$8.5 billion dollar CityCenter Project in the heart of the Las Vegas Strip. Three of the developments at CityCenter have been awarded LEED Gold certifications, with four remaining projects anticipated to receive LEED Gold or Silver certifications. Cindy has worked for MGM MIRAGE for 18 years. Prior to her current position she was Vice President/CFO for Corporate Services. Cindy is recognized for her leadership and expertise on energy issues and testifies routinely before the Nevada State Legislature. She speaks before industry and professional associations and serves on various advisory panels.
