Sandra M. McCurdy
Vice President, Finance
FedEx Ground

Since joining FedEx Ground in 2000, Sandy has been responsible for the Finance function, which includes planning, capital management, forecasting, customer and market analysis, special project support, board presentations, analyst call support and business modeling. Sandy was instrumental in selecting and implementing a centralized financial planning database, a planning software system, and recently a capital management system. Since 2000, Sandy has expanded the department to provide best in class financial planning and analysis support to a growing Fortune 500 Company.
