Stacey Gelman

Vice President, Shared Business Services,
Merck

Stacey Gelman is Vice President of Shared Business Services at Merck, where she leads the globalization of shared services for order management, finance, human resources and procurement. In addition, Stacey leads the enterprise portal initiative, driving a revolution in self-services and establishing new markets for collaboration and social networking solutions. Before this role, she was in the senior leadership posts for Human Health Information Technology and Global Infrastructure. Prior to joining Merck in September 2003, Stacey held executive positions in the information and communications industries, including Chief Product Officer at Factiva, General Manager of Mobile Internet Solutions for Lucent Technologies, and Chief Information Officer for AT&T Network Systems. Stacey holds degrees from Queens College in New York and the University of Pennsylvania
