

Bryan Levy

Head of Strategy and Product Innovation
PayFlex

Bryan leads Strategy and Innovation for PayFlex. In this role, he is tasked with developing PayFlex's long-term strategy, driving a culture of innovation, and building product and service growth platforms for the future. Prior to joining PayFlex, Bryan spent 15 years at Marsh & McLennan Companies in a variety of strategy and leadership roles. Bryan has a Bachelor of Science in Business Administration from Boston University and an MBA from NYU Stern. He lives in New Jersey where he enjoys hiking and water sports with his family.
