[The Rallying Cry for Organizational Change](#)

09 October, 2014 | Conference KeyNotes

Companies should make change management a competency rather than an add-on. They can start by knowing the best practices for executing change and training employees in how to adapt to it.

[On the Record with Charles Allen](#)

08 September, 2014 | Executive Action Report

"Retaining people in the profession is definitely our biggest issue," notes Charles Allen, CEO of accounting/consulting firm Crowe Horwath LLP. He tells us how his firm approaches this key human capital challenge.

[The Key to Optimal Business Results: Insights from The 2014 Performance Management Conference](#)

25 August, 2014 | Conference KeyNotes

For performance management to be more than mere compensation management, systems must be behavior focused, integrated into workflow and processes, and communicated with care to employees.

[The Global Leadership Forecast \(GLF\) 2014 | 2015. Ready-Now Leaders: Meeting Tomorrow's Business Challenges](#)

14 August, 2014 | Research Report

New research from DDI and The Conference Board spotlights a critical difference between the top and bottom corporate financial performers: companies with higher percentages of women in leadership roles perform better.

[Opening the Doors of Small Business to Employees with Disabilities: Critical Concerns and Strategies for Success](#)

01 August, 2014 | Research Report

Small business offers perhaps the greatest opportunity for employing people with disabilities in the United States.

[Creating Personal Emotional Connections with Employees and Customers: Insights from The 2014 Extending Your Brand to Employees Conference](#)

01 August, 2014 | Conference KeyNotes

Defining and living your company's larger purpose so that employees engage emotionally ensures that they, as ambassadors, best represent your company brand to customers.

[Identifying Your Company's Leadership DNA: Insights from The 2014 Leadership Development Conference](#)

17 July, 2014 | Conference KeyNotes

Companies concerned about their executive pipelines should invest in leadership training, especially of high potential employees. The biggest bang from training dollars comes through action learning, stretch assignments, and coaching.

[Do It Yourself: Alexis Ohanian says that bosses must give their people more autonomy](#)

12 July, 2014 | The Conference Board Review

In this Q&A, reddit co-founder Alexis Ohanian argues that supervisors should strive to create workplaces in which people need not ask permission to make things happen.

[Is This the End of Work? Information Technologies and Labor Market Disruption: A Cross-Atlantic Conversation](#)

09 July, 2014 | Executive Action Report

So far, the digital revolution has produced technology but not jobs. What is the impact of technology on employment? Leaders from Canada, Europe, and the United States tackle this question.

[The Future India Business Leader](#)

02 July, 2014 | Research Report

As India-based companies expand, Indian business leaders will need to build deep competency in managing cross-cultural global teams—something participants in the India Leadership 2.0 Project see as lacking at present.

[Job Satisfaction: 2014 Edition](#)

18 June, 2014 | Research Report

According to the current edition of The Conference Board Job Satisfaction survey, and for the eighth straight year, less than half of US workers are satisfied with their jobs.

[Building the Foundation of an Innovative Culture: Human Capital's Role in Making It Happen](#)

23 May, 2014 | Executive Action Report

Although most organizations agree that innovation is important for sustainability and growth, few do it well. To help reverse that trend in your organization, this report presents four recommendations and examples from top companies for innovation.

[Leveraging the Impact of Coaching on Business-Driven Talent Management Practices: Insights from The 2014 Executive Coaching Conference](#)

14 May, 2014 | Conference KeyNotes

Executive coaching is due for an upgrade—from a focus on metrics to a focus on interpersonal communication and the resulting employee engagement.

[Scenario Planning for Human Resources and Strategic Workforce Planning](#)

14 May, 2014 | Research Report

Scenario planning can enhance the value of “basic” strategic workforce planning. Although it can't predict the future, scenario planning can help companies determine strategic options.

[How Industry Leaders Get Customers to Fall in Love with Their Experience: Insights from The 2014 Customer Experience Conference](#)

09 May, 2014 | Conference KeyNotes

The keys to wowing your customers include having happy employees, putting customers first, and providing a personalized, interactive experience.

[Unlock Talent Potential to Drive Business Success: Insights from The 2014 Talent Management Strategies Conference](#)

28 April, 2014 | Conference KeyNotes

A company's best defense for meeting a rapidly changing business environment is to have a strong succession plan and a pipeline of “ready-now” employees who can step into vacant positions.

[Treat Your Employees Like Consumers: They don't all want the same things.](#)

28 April, 2014 | The Conference Board Review

With corporate workforce increasingly global and diverse, HR departments are recognizing the ineffectiveness of dealing with every employee in exactly the same way.

[Performance Anxiety: Your people are insecure—what are you going to do about it?](#)

28 April, 2014 | The Conference Board Review

Workers feel terribly insecure these days, but it's not about whether they'll be fired—it's about whether they're capable of performing their jobs adequately. Here's how managers can help fix the problem.

[Where's the Good Pizza Here? That and other, more serious, concerns your company must address when relocating people.](#)

28 April, 2014 | The Conference Board Review

If you manage employees who are considering a domestic move, be prepared to think about the concept of domestic culture shock.

[You Can Go Your Own Way: There are as many ways to get work done as there are workers.](#)

28 April, 2014 | The Conference Board Review

Companies know they cannot cling forever to an industrial-age employment model. But many modernization efforts are hampered by viewing new work practices through a single lens.

[The Conference Board Human Capital in Review™: Focus on Diversity & Inclusion \(Vol. 4, No. 1, 2014\)](#)

26 March, 2014 | Human Capital in Review

This publication explores hot topics within diversity and inclusion research. This issue includes articles on demographic diversity in the workplace and the benefits of diversity for innovation and team dynamics.

[How Well Do Corporate Directors Know Senior Management?](#)

10 March, 2014 | Director Notes

Companies can improve the quality of their CEO succession and internal talent development programs by fostering regular formal and informal interaction between directors and senior management.

[The Conference Board Human Capital in Review™: Focus on Employee Engagement \(Vol. 3, No. 1, 2014\)](#)

06 March, 2014 | Human Capital in Review

[The Future ASEAN Leader: Leading Growth and Change in a Borderless World](#)

03 March, 2014 | Research Report

This groundbreaking report presents insights, concerns, and opinions of participants in the ASEAN Leadership 2.0 Project on what it will take to lead business in the ASEAN region going forward.

[The Impact of Board Dynamics on Shareholder Value Creation](#)

14 February, 2014 | Director Notes

Aristotle's maxim that the whole is greater than the sum of its parts is alive and well in the boardroom. This report shows that better team dynamics among board members produces better financial performance.

[How Teleworking Works Best: Organizational Shifts Ahead](#)

13 February, 2014 | Executive Action Report

As more people work from remote locations and are no longer tethered to brick and mortar facilities, flexible work arrangements like telework will simply be the way work is done.

[The Conference Board Human Capital in Review™: Focus on Talent Management \(Vol. 4, No. 1, 2014\)](#)

04 February, 2014 | Human Capital in Review

This publication explores hot topics within talent management research and includes summaries on human capital trends, learning and development, talent acquisition, leadership development, performance management, coaching, and corporate universities.

[The Link between Human Capital and Sustainability](#)

05 December, 2013 | Executive Action Report

A good understanding of the link between human capital and sustainability can help company directors identify how investing in the right sustainability programs can drive significant improvements in human capital.

[The Social Media for Human Resources Conference KeyNotes Report](#)

06 November, 2013 | Conference KeyNotes

As companies look to increase productivity of human capital, HR's responsibility for innovation, talent development, and engagement has risen. Firms are using social media to excel in these areas.

[Who's in Charge Here? Bossless organizations can teach you how to be a better boss.](#)

16 October, 2013 | The Conference Board Review

Bossless companies, with minimal internal management structure, have a great deal to teach managers in conventional organizations.

[Making the Switch: Are skills really transferable between jobs within an organization?](#)

16 October, 2013 | The Conference Board Review

A successful job-rotation program needs to be constructed so the assignment is a stretch and brings value, but not so much of a stretch that you lose a good employee.

[How Teleworking Works Best: A Practical Guide for Managing Teleworkers](#)

11 October, 2013 | Executive Action Report

Successful managers of teleworkers are those who have learned to manage the work and not the workers, quantify deliverables and not hours at a desk, and communicate regularly and mindfully with all workers.

[The Conference Board Human Capital in Review™: Focus on Employee Engagement \(Vol. 2, No. 3, 2013\)](#)

02 October, 2013 | Human Capital in Review

This publication explores hot topics within employee engagement research. This issue includes articles on the effect of recessions on productivity and strategies for gaining stakeholder buy-in.

[Strategic Talent Management: Where We Need to Go](#)

25 September, 2013 | Research Report

Systems thinking, a talent for data analysis, and change management skills are two of the critical competencies that talent management leaders need to contribute to and enhance business outcomes.

[The Conference Board Human Capital in Review™: Focus on Talent Management \(Vol. 3, No. 3, 2013\)](#)

24 September, 2013 | Human Capital in Review

This publication explores hot topics within talent management research. This issue includes articles on: engaging with marketing in recruitment, effects of company reputation, and accelerating leadership development.

[Talent Acquisition through Social Media: Managing Risks to Maximize Rewards](#)

28 August, 2013 | Executive Action Report

To receive the maximum value from social media investments, companies must understand each channel and its unique benefits and features and be able to manage the related risks.

[Can Four Generations Focus in One Place?](#)

19 July, 2013 | KnowlEdge Series Summaries

This overview is adapted from The Conference Board KnowlEdge Series® presentation, "How We Work: Developing the Right Environment to Enable Our Workforce," with concentrations on the multigenerational workplace and office design.
