Publications

[25 Truths about Customer Experience: Insights from the 2017 Customer Experience Conference](#)

08 June, 2017 | Conference KeyNotes

The best way to provide a great customer experience is to stay on top of evolving customer needs and view disruption as a new way to please customers.

[25 Truths about Customer Experience](#)

19 April, 2016 | Conference KeyNotes

Both consumer-facing and B2B companies can offer stellar customer service by being the best place to work, creating exceptional experiences, and having a customer-first culture.

[Staying Ahead of Change and Preparing for 2020: Insights from the 2015 Corporate Brand and Reputation Conference](#)

10 November, 2015 | Conference KeyNotes

One of the best ways to build your brand is by getting the marketing, customer service, and sales teams to work together to provide the best customer experience possible.

[Using Analytics and Culture to Deliver Journeys That Customers Crave: Insights from The 2015 Customer Experience Conference](#)

04 August, 2015 | Conference KeyNotes

Companies that are known for top-notch customer service have cultures that base everything the company does around pleasing the customer.

[Integrating Sustainability into Your Core Businesses—A Road Map](#)

04 May, 2015 | Research Report

This report identifies work processes, tools, and experiences that can help practitioners build or strengthen sustainability programs in their companies.

[Joining the Conversation](#)

01 May, 2015 | Executive Action Report

Companies are looking to social media not only to get insights on the future of the consumer, but to advance their brands online by building relationships with social media users.

[Creating the Right Voice and Content for Social Media](#)

18 December, 2014 | Executive Action Report

Companies must craft the right brand voice and content to get a bigger impact from their social branding efforts. Firms are expanding their view of their customers for more opportunities to engage with them.

[Streamlining Product Safety and Regulatory Information along the Value Chain](#)

21 October, 2014 | Council Perspectives

The lack of consistent approaches for sharing product stewardship information in today's complex global economy creates significant business risks that are often invisible to leadership.

[Proxy Voting Analytics \(2010-2014\): Executive Summary](#)

17 September, 2014 | Executive Summary

There's been a fundamental shift in the type of resolutions shareholders submit, and activists are increasingly using social media to agitate for change outside of the AGM, 2014 data show.

[On the Record with Charles Allen](#)

08 September, 2014 | Executive Action Report

"Retaining people in the profession is definitely our biggest issue," notes Charles Allen, CEO of accounting/consulting firm Crowe Horwath LLP. He tells us how his firm approaches this key human capital challenge.

[Creating Personal Emotional Connections with Employees and Customers: Insights from The 2014 Extending Your Brand to Employees Conference](#)

01 August, 2014 | Conference KeyNotes

Defining and living your company's larger purpose so that employees engage emotionally ensures that they, as ambassadors, best represent your company brand to customers.

[Proxy Voting Fact Sheet \(July 2014\)](#)

25 July, 2014 | Proxy Voting Fact Sheet

An analysis of annual shareholder meetings at Russell 3000 companies shows shareholder proposals on the disclosure of corporate political contributions doubled since 2009, signaling continued concern about a lack of transparency.

[The Growing Value of Brands and Their Contribution to Worldwide Economic Growth](#)

23 July, 2014 | Executive Action Report

The contribution of brands is comparable to that of R&D in most advanced economies. Moreover, the wealthier a country grows, the more its companies spend on getting out their brand message.

[Proxy Voting Fact Sheet \(May 2014\)](#)

29 May, 2014 | Proxy Voting Fact Sheet

Efforts to improve communication with investors following say-on-pay appear to have paid off. The volume of shareholder proposals declined significantly for meetings held during the first four months of 2014.

[How Industry Leaders Get Customers to Fall in Love with Their Experience: Insights from The 2014 Customer Experience Conference](#)

09 May, 2014 | Conference KeyNotes

The keys to wowing your customers include having happy employees, putting customers first, and providing a personalized, interactive experience.

[Surprise! Chinese Consumers Are Not Americans: Savio Chan takes a close look at buying behaviors in the Far East](#)

28 April, 2014 | The Conference Board Review

In a Q&A, Savio Chan of US China Partners shares his insights on how American businesses can better connect with Chinese consumers.

[Beyond Buzz: Mining the Future of PR](#)

28 April, 2014 | The Conference Board Review

Too much of public relations is based on gut feelings or past practice. The challenge is to use data—not on the back end of a program in counting clips or measuring outcomes but, rather, on the front end in the development of strategies.

[Proxy Voting Fact Sheet \(March 2014\)](#)

28 March, 2014 | Proxy Voting Fact Sheet

For meetings held in January and February 2014, shareholder proposal volume declined compared with same period last year, possibly a sign that investor engagement continues to be fruitful for companies.

[Strategies That Transform the Organization: Insights from The 2013 Senior Corporate Communication Management Conference](#)

14 March, 2014 | Conference KeyNotes

Today's corporate communications departments are the equivalent of an internal media company that helps roll out new strategies, enhance customer experience, and increase employee engagement.

[Sustainability Matters 2014: How Sustainability Can Enhance Corporate Reputation](#)

22 January, 2014 | Research Report

Brand recognition and reputation are among the most valuable intangible assets of any company. In turn, sustainability initiatives have the potential to significantly impact corporate brand and reputation.

[Board Accountability in the Current Governance Landscape](#)

09 December, 2013 | Director Notes

Institutional investors are looking more deeply into boardroom activities and are more willing to target individual directors deemed responsible for policy failures or poor performance.

[Brands as Productive Assets: Concepts, Measurement, and Global Trends](#)

15 November, 2013 | Economics Program Working Paper Series

by Carol A. Corrado and Janet X. Hao

This paper finds that conventional measures misrepresent brand spending trends in the United States because those metrics do not take into account increased spending on social media and strategic marketing.

[The Link Between Brand Value and Sustainability](#)

28 October, 2013 | Director Notes

Across a range of industries, regions, and enterprise values, there is a correlation between a company's sustainability performance and the strength of its brand for consumers.

[Why Your Customers Don't Want to Talk to You](#)

16 October, 2013 | The Conference Board Review

Many customers prefer doing business online, so why do companies insist on making them pick up the phone to complete their transaction or answer their question?

[Marketing Without Marketing: Consumers are harder than ever to reach, but don't make it obvious that you're trying harder than ever to reach them.](#)

16 October, 2013 | The Conference Board Review

Brand journalism is one way smart marketers rise above the clutter of internet advertising. As a marketer, the key is to figure out where people's interests and your competencies overlap.

[Proxy Voting Analytics \(2009–2013\)](#)

11 October, 2013 | Research Report

Proposals submitted by shareholders increased for the second year in a row, while management was less successful at excluding investor demands from the voting ballot.

[Global Trends in Board-Shareholder Engagement](#)

07 October, 2013 | Director Notes

Notwithstanding the potential benefits of engaging shareholders, board directors hesitate to do it—sometimes, rightly so. Real-world examples serve as guidance for those trying to develop an effective engagement program.

[Social Issues in the 2013 Proxy Season](#)

23 September, 2013 | Director Notes

More than half of the shareholder proposals on social issues submitted at Russell 3000 companies that held meetings during the first half of 2013 went to a vote.

[China Center Chart of the Week: Falling home production is an opportunity for services sector development \(part 1 of 2\)](#)

11 September, 2013 | China Center Publications

Chinese households are spending fewer hours per week on childcare and other kinds of housework including grocery shopping, cooking, and doing laundry, which is releasing demand for services.

[China Center Chart of the Week: Home production trends highlight opportunity to boost household consumption of services \(part 2 of 2\)](#)

11 September, 2013 | China Center Publications

Except for house cleaning, Chinese households spend more time than their American counterparts on household production, and the viability of service sector market substitutions for this work has increased.

[Disclosure Lessons from the 2013 Proxy Season](#)

27 August, 2013 | Director Notes

Based on a sampling of proxy statements from the first half of 2013, it appears that an increasing number of companies are providing shareholders with additional or enhanced disclosures.

[The 2013 Extending Your Brand to Employees Conference KeyNotes Report](#)

13 August, 2013 | Conference KeyNotes

Your brand is only as strong as your employees, so build an emotional connection to the brand that allows them to live your purpose and exhibit brand-specific behavior.

[The Social Business Benchmark Study: 2013 Preliminary Findings](#)

31 July, 2013 | Research Report

The Social Business Benchmark examines what companies are doing with their social business activities to benchmark organizations' readiness for social business and to provide future guideposts.

[Proxy Voting Fact Sheet \(July 2013\)](#)

26 July, 2013 | Proxy Voting Fact Sheet

Both the volume of shareholder proposals submitted and the rate of withdrawals increased among Russell 3000 and S&P 500 companies that held meetings during the first half of 2013.

[Beyond Buzz: Thinking About Feelings](#)

15 July, 2013 | The Conference Board Review

Columnist Dick Martin argues that corporate scandals have less to do with the stuff of logical argument than with the mysteries of intuition and emotion.

[China CEO Council Insights: Reality Check -- MNC Prospects for the Next Wave of Reform](#)

13 June, 2013 | China Center Publications

A summary of discussion points, learnings, business issues, and member insights from the June 13, 2013, China CEO Council, convened by the Conference Board's China Center

[Managing Contractors and Ensuring Safety in Emerging Markets](#)

30 May, 2013 | Council Perspectives

Although emerging markets beckon with new business opportunities, they also present major health and safety challenges that foreign investors need to clearly understand.

[Proxy Voting Fact Sheet \(May 2013\)](#)

29 May, 2013 | Proxy Voting Fact Sheet

Management was successful in omitting nearly one-quarter of shareholder proposals submitted at companies that held meetings during the January—April period. Nearly two-thirds of filed proposals went to a vote.

[Corporate Image and Branding Conference KeyNotes Report](#)

13 May, 2013 | Conference KeyNotes

Companies that can distill the complexity of their business into a simple and compelling message can win the enthusiasm of employees and the market.

[The 2013 Customer Experience Leadership Conference KeyNotes Report](#)

30 April, 2013 | Conference KeyNotes

Social media may have changed the retail experience, but digital technology has given companies tools for coping with and capitalizing on that change.

[On the Record with Dr. Loren Skeist](#)

02 April, 2013 | Executive Action Report

The president of Spellman Electronics shares his views on *The Conference Board CEO Challenge*® of 2013 including the challenges CEOs ranked highest: innovation, operational excellence, and government regulation.

[Proxy Voting Fact Sheet \(March 2013\)](#)

26 March, 2013 | Proxy Voting Fact Sheet

At the start of the 2013 proxy season, proposals to declassify the board were the most frequently voted proposal topic and had the highest level of shareholder support.

[The 2012 Senior Corporate Communication Management Conference KeyNotes Report](#)

11 February, 2013 | Conference KeyNotes

Since the communication department is integral to driving business, communications professionals need to understand the business side of the organization.

[Design-Centered Innovation: Observe, Learn, Innovate](#)

16 January, 2013 | Council Perspectives

Customers value the experience of using a product or service, not just the product or service itself. Companies can use a design-centered approach to innovation to facilitate the process of selling the total “experience” to their customers.

[Proxy Voting Analytics \(2008-2012\)](#)

08 January, 2013 | Research Report

The effects of say on pay on shareholder engagement, introduction of proxy access proposals, and resurgence of board declassification resolutions were the principal themes of the 2012 proxy season.

[China Center Chart of the Week: Consumption is the most important driver of labor demand](#)

14 December, 2012 | China Center Publications

This chart explores overall labor demand (i.e. both direct and indirect) generated by household consumption, government consumption, investment, and exports in China.

[On the Record with Nick Konidaris](#)

15 November, 2012 | Executive Action Report

This is a follow-up interview with one of the CEOs of a mid-market firm who participated in The Conference Board CEO Challenge 2012: Nick Konidaris, President and CEO of Electro Scientific Industries (ESI).

[What Do Corporate Directors and Senior Managers Know about Social Media?](#)

24 October, 2012 | Director Notes

This report provides insights into how senior-level decision makers in North American companies view social media, and offers recommendations for implementing a social media strategy that ties in with corporate strategy and risk management practices.

[Extending Your Brand to Employees Conference KeyNotes Report](#)

21 August, 2012 | Conference KeyNotes

Over the last two years, companies have become more focused on employer branding, but determining the one meaningful brand message to communicate remains a challenge.

[Proxy Voting Fact Sheet \(July 2012\)](#)

26 July, 2012 | Proxy Voting Fact Sheet

This edition contains a snapshot of the most relevant proxy season data for Russell 3000 companies that held annual general meetings (AGMs) between January 1 and June 30, 2012.

[Do Your Customers Trust You?](#)

09 July, 2012 | The Conference Board Review

Q&A with Don Peppers and Martha Rogers, authors of "Extreme Trust: Honesty as a Competitive Advantage."

[Nothing in Common: How to do business in a world of difference](#)

09 July, 2012 | The Conference Board Review

Understanding the ways and whys of people unlike yourself is key to winning and keeping customers, managing today's workforce, and relating to the activists who have an increasingly influential voice in where and how a company does business.

[Our Brands, Ourselves: The power of attachment](#)

09 July, 2012 | The Conference Board Review

As both marketers and consumers attach more meaning to brands, it's important to understand their context in society and business.

[Proxy Voting Fact Sheet \(May 2012\)](#)

29 May, 2012 | Proxy Voting Fact Sheet

This edition of the *Proxy Voting Fact Sheet* contains a snapshot of the most relevant proxy season data for Russell 3000 companies that held annual general meetings (AGMs) between January 1 and April 30, 2012.

[The 2012 Customer Experience Leadership Conference KeyNotes Report](#)

21 May, 2012 | Conference KeyNotes

In an increasingly connected world, companies are in danger of overlooking the secret ingredient that makes for a good customer experience—the personal touch.

[Proxy Season 2012: The Year of Pay for Performance](#)

16 April, 2012 | Director Notes

This report discusses the analytics and issues around pay for performance and suggests ways to analyze P4P alignment, counter negative proxy adviser recommendations, and draft proxies to obtain support for pay programs.

[The Communication Patterns of Corporate Social Responsibility within and across Industries](#)

02 April, 2012 | Director Notes

This report examines how American corporations collectively describe their corporate social responsibility (CSR) activities based on an analysis of data collected from 103 Fortune 500 websites.

[Proxy Voting Fact Sheet \(March 2012\)](#)

29 March, 2012 | Proxy Voting Fact Sheet

This edition of The Proxy Voting Fact Sheet contains a snapshot of the most relevant proxy season data for Russell 3000 companies that held annual general meetings (AGMs) between January 1 and February 29, 2012.

[The 2011 Senior Corporate Communications Management Conference KeyNotes Report](#)

29 March, 2012 | Conference KeyNotes

Communicators have become closer strategic partners with senior management as they work together to enable the organization to respond and adapt to rapid change.

[The Influence of Proxy Advisory Firm Voting Recommendations on Say-on-Pay Votes and Executive Compensation Decisions](#)

12 March, 2012 | Director Notes

This report examines evidence of the influence of proxy advisory firm voting recommendations on shareholder voting outcomes, particularly say-on-pay votes, and presents findings showing the impact of those firms on the design of executive pay programs.

[The 2011 Customer Loyalty Conference KeyNotes Report](#)

09 March, 2012 | Conference KeyNotes

The keys to having loyal customers include knowing your customers personally, knowing what they want, and delivering it to them, sometimes before they even realize they want it.

[The 2011 Senior Sales Executive Conference KeyNotes Report](#)

10 January, 2012 | Conference KeyNotes

The role of the sales department has evolved into increasing value for the client through sales enablement. To ensure that your sales team does this as effectively as possible, start by changing how your sales team operates.

[Journal of New Communications Research Anthology 2011](#)

01 December, 2011 | Periodical

In this 2011 anthology edition of the *JNCR*, SNCR fellows examine, among other things, how to engage customers through Twitter and online behavioral targeting practices.

[Get Social: A Guide to Creating Your Company's Social Media Strategy](#)

03 October, 2011 | Executive Action Report

Most organizations realize the importance of participating in social media but do not have a formal plan on how to make the most of it. This report discusses specifics and best practices for planning a social media strategy.

[CEO Challenge Reflections: Social Media Goes to Work](#)

03 October, 2011 | Executive Action Report

The implications of social media in the workplace—for product development, go-to-market strategies, customer relations, corporate branding, and recruiting—are enormous. Why then are so many senior executives reluctant to take the plunge?

[A Closer Look at Negative Say-on-Pay Votes During the 2011 Proxy Season](#)

25 July, 2011 | Director Notes

More than 2,200 Russell 3000® Index companies have held say-on-pay votes this annual meeting season. This report analyzes the results of votes held through June 17, 2011, across several metrics.

[Say on Pay in the 2011 Proxy Season: Lessons Learned and Coming Attractions for U.S. Public Companies](#)

12 July, 2011 | Director Notes

This Director Notes reviews the results of the inaugural season of shareholder advisory votes under the Dodd-Frank Act through June 23, 2011 and offers recommendations for companies to consider in making their compensation and governance decisions.

[Change of Heart](#)

05 July, 2011 | The Conference Board Review

Why is Wal-Mart going green? To save money—and because it's afraid of teenage girls.

[The First Customers](#)

01 July, 2011 | The Conference Board Review

In a new market, you need to secure a foothold. World domination can come later.

[It's Not Just Your Children's Facebook Anymore](#)

20 May, 2011 | Executive Action Report

Companies that use social media to improve knowledge transfer will see employees benefit from more informed thinking, better ideas, and big steps forward in innovation.

[Supplier Diversity: Helping to Enhance the Corporate Brand](#)

28 April, 2011 | Council Perspectives

This Council Perspectives points out how supplier diversity can create a competitive advantage for an organization and encourages leaders to think beyond the function's traditional role.

[Competitive Intelligence: A Critical Tool for Innovation](#)

28 April, 2011 | Council Perspectives

The “next big thing” could hit at any time and revolutionize your industry, leaving you with outdated products, processes, partners, and business models. Competitive intelligence (CI) can provide critical insights into what your competitors are doing.

[What's the Story?](#)

01 April, 2011 | The Conference Board Review

Narrative, character, drama—Peter Guber knows how to get your attention.

[What Board Members Should Know About Communicating CSR](#)

23 March, 2011 | Director Notes

This report discusses what to communicate (i.e., message content) and where (i.e., message channel), as well as the major factors (internal and external to the organization) that affect the effectiveness of corporate social responsibility communication.

[Managing Brands in a Topsy-Turvy Marketing Environment](#)

17 February, 2011 | Executive Action Report

To create excitement for a new brand, or refresh a tired brand, bring together networks of satisfied customers and user groups to share their experiences and generate word-of-mouth.

[Investing in CSR to Enhance Customer Value](#)

15 February, 2011 | Director Notes

This report, which is based on the analysis of 163 articles from the most relevant empirical literature on the subject, offers a number of practical recommendations to business leaders embarking in CSR programs for their companies.

[The Great Recession and Household Savings](#)

07 February, 2011 | Executive Action Report

During recessions or other periods of economic weakness, when any engine of growth is needed, an increase in the household saving rate could slow the pace of recovery. So what will happen to the saving rate in this critical recovery period?

[Connecting to Customers](#)

02 February, 2011 | The Conference Board Review

Corporate leaders too often keep their distance from the people that are the most important.

[E-Proxy Reform, Activism, and the Decline in Retail Shareholder Voting](#)

23 December, 2010 | Director Notes

This report explores issues that have arisen since the introduction of the new electronic forms of delivering voting materials: the observed shareholder response-rate decline and the impact on activism.

[Private Ordering and Proxy Access Rules: The Case for Prompt Attention](#)

09 December, 2010 | Director Notes

This report focuses on advance-notice bylaws, director qualification bylaws (such as those setting age standards, term limits, or stock ownership requirements), conduct-of-meeting bylaws, and nominating committee charters.

[Preparing for the 2011 Proxy Season](#)

08 November, 2010 | Director Notes

This report discusses the major likely characteristics of the 2011 proxy season as well as a number of practical recommendations to help boards take charge of corporate governance, improve communications, and manage relations with shareholders.

[Harnessing the Power Within: Using Your Employees to Help Deliver the Brand Promise](#)

27 May, 2010 | Executive Action Report

This report discusses how creating an internal branding model will help employees understand and connect to your core brand, then communicate that brand message to your customers.

[Corporate Brands: Strategies for the New Normal](#)

01 March, 2010 | Council Perspectives

This report is an issue-specific excerpt from Council Perspectives (CP-015) *Corporate Brands: Meeting the Challenges of Changing Times*.

[Social Media and Word-of-Mouth Marketing](#)

01 March, 2010 | Council Perspectives

What will the operating landscape - the new normal - look like post-recession? It will be a tougher place to manage a corporate brand. Companies simply won't be able to do things the way they always have. But that may not be such a bad thing.

[Solving the Customer's Price Issues.](#)

24 February, 2010 | Executive Action Report

This Mid-Market Conversation Starter gives you a couple of new perspectives from which to think about solving customer price issues.

[Reengaging Lost Customers](#)

24 February, 2010 | Executive Action Report

What can be done to win back customers that have proven loyal in the past and who may account for a significant portion of profits? A Mid-market Conversation Starter.

[The New Symbiosis of Professional Networks: Social Media's Impact on Business and Decision-Making](#)

01 February, 2010 | Research Report

In an effort to begin to better understand the impact of social media on business, this research examines the role that social media has on decision making among business professionals.

[Corporate Brands: Meeting the Challenges of Changing Times](#)

01 February, 2010 | Council Perspectives

This report, based on a September 2009 meeting of The Conference Board Council on Corporate Brand Management, discusses the challenges facing the corporate brand and what the new operating landscape—the new normal—will look like once the recession ends.

[The Identity Recession](#)

14 January, 2010 | The Conference Board Review

Why are companies so cautious about rebranding themselves?

[Clicking With Customers](#)

01 May, 2009 | The Conference Board Review

There's a difference between online presence and online marketing.

[Wherefore Art Thou, Brand?](#)

01 January, 2009 | The Conference Board Review

Adjusting to marketing's new realities.

[Exploring the Link Between Customer Care and Brand Reputation in the Age of Social Media Executive Summary](#)

01 December, 2008 | Executive Summary

Technical advancements have created significant changes in the customer care experience. Social media has helped elevate customers' opinions and affected brand loyalty.
