[25 Truths about Joint Ventures](#)

11 April, 2017 | Conference KeyNotes

More and more, companies are looking to joint ventures: to help topline growth, allay local fears about loss of intellectual property to foreign competitors, and to help companies enter new international markets.

[The Broken American Dream—Viewed through the Lens of Europe](#)

07 April, 2017 | Executive Action Report

In their new book [Sustaining Capitalism](#), authors Steve Odland and Joseph Minarik at the [Committee for Economic Development](#) (CED) of The Conference Board detail solutions for restoring trust in the American system. What can Europe learn from proposed solutions for the United States?

[Putting It All Together – Employee Engagement, Innovative Approaches, Sustainable Outcomes](#)

01 March, 2016 | Conference KeyNotes

Companies used to show they cared by writing checks. Today, their societal missions are far-reaching and intensive. Why? Millennials demand it, the world needs it, and safe and prosperous communities benefit business.

[The Conference Board Economics Watch® European View](#)

18 December, 2015 | Economics Watch Reports

Euro Area economic recovery shows some signs of a slowing pace.

Special topic: The European Commission's investment plan is unlikely to change the subdued investment outlook in the short term.

[Giving in Numbers: 2015 Edition](#)

21 September, 2015 | Research Report

An in-depth analysis of 2014 corporate giving and employee engagement data from 271 of the world's leading companies.

[Communicating Social Impact](#)

19 June, 2015 | Research Report

How do corporations authentically and effectively communicate the successes of their social initiatives and investments to stakeholders? Find out how leading organizations have effectively integrated promising communications practices into their work.

[Integrating Sustainability into Your Core Businesses—A Road Map](#)

04 May, 2015 | Research Report

This report identifies work processes, tools, and experiences that can help practitioners build or strengthen sustainability programs in their companies.

[Giving in Numbers: 2014 Edition](#)

21 October, 2014 | Research Report

An in-depth analysis of 2013 corporate giving and employee engagement data from 261 of the world's leading companies.

[Measuring the Impact of Corporate Social Investments](#)

26 September, 2014 | Research Report

Social change is inherently difficult to capture, but there is growing interest among corporate social investors in demonstrating actual deeper impact. This report highlights select aspects of measurement and provides guidance.

[On the Record with Charles Allen](#)

08 September, 2014 | Executive Action Report

"Retaining people in the profession is definitely our biggest issue," notes Charles Allen, CEO of accounting/consulting firm Crowe Horwath LLP. He tells us how his firm approaches this key human capital challenge.

[Creating Personal Emotional Connections with Employees and Customers: Insights from The 2014 Extending Your Brand to Employees Conference](#)

01 August, 2014 | Conference KeyNotes

Defining and living your company's larger purpose so that employees engage emotionally ensures that they, as ambassadors, best represent your company brand to customers.

[What's the Big Idea? Stuart Crainer sees more interest in management thinking than ever before.](#)

28 April, 2014 | The Conference Board Review

UK writer Stuart Crainer explains rising interest in management thinking and what his Thinkers50 project aims to accomplish.

[Who's Holding You Accountable? Christine Bader wants to fill companies with corporate idealists.](#)

28 April, 2014 | The Conference Board Review

A Q&A with "corporate idealist" Christine Bader, who spent nine years at BP and now seeks to aid those who want to help corporations both do good and do well.

[Why CEOs Need to Care about Trust in Business](#)

24 April, 2014 | Executive Action Report

Capitalism depends on public trust for its legitimacy. If public trust in business is low, governments and regulators act. But what are the business and governance standards that establish confidence?

[Sustainability Matters 2014: How Sustainability Can Enhance Corporate Reputation](#)

22 January, 2014 | Research Report

Brand recognition and reputation are among the most valuable intangible assets of any company. In turn, sustainability initiatives have the potential to significantly impact corporate brand and reputation.

[Developing Leaders: Voices from India](#)

16 December, 2013 | Research Report

Leadership development is more critical than ever—and some companies have cracked the code. Learn what top companies in India are doing now to prepare tomorrow's leaders.

[The Link between Human Capital and Sustainability](#)

05 December, 2013 | Executive Action Report

A good understanding of the link between human capital and sustainability can help company directors identify how investing in the right sustainability programs can drive significant improvements in human capital.

[Giving in Numbers: 2013 Edition](#)

17 September, 2013 | Research Report

Fifty-nine percent of companies recommitted to their communities by giving more to charity in 2012 than they did before the recession took hold in late 2007.

[The 2013 Extending Your Brand to Employees Conference KeyNotes Report](#)

13 August, 2013 | Conference KeyNotes

Your brand is only as strong as your employees, so build an emotional connection to the brand that allows them to live your purpose and exhibit brand-specific behavior.

[Of Ill Repute: A Q&A with Jonathan Macey](#)

15 July, 2013 | The Conference Board Review

Yale law professor Jon Macey laments that no one on Wall Street seems to care about reputation anymore.

[Managing Contractors and Ensuring Safety in Emerging Markets](#)

30 May, 2013 | Council Perspectives

Although emerging markets beckon with new business opportunities, they also present major health and safety challenges that foreign investors need to clearly understand.

[Best Practices for Developing Change Leadership in Turbulent Times](#)

22 May, 2013 | Executive Action Report

Leaders in charge of businesses affected by Hurricane Katrina share how they led through the crisis and how these methods can be translated to planned initiatives for change in organizations.

["Just Say No": If only fighting bribery were that simple](#)

15 April, 2013 | The Conference Board Review

An expansive look at bribery today and how both companies and individual executives should handle sticky situations.

[Workspace: Face-to-Face Fallacies](#)

15 April, 2013 | The Conference Board Review

Columnist Alison Maitland looks critically at workplace strategies of Google and Yahoo!, calling them "retrograde attitudes from Internet giants."

[The Happiness Premium: What Companies Should Know about Leveraging Happiness in the Workplace](#)

28 March, 2013 | Executive Action Report

A focus on employee happiness makes for a holistic approach to the idea of contentment in the workplace, and can greatly influence company performance overall.

[Corporate Philanthropy with a Global Footprint](#)

08 March, 2013 | Research Report

The context of global giving is changing. Investment, not philanthropy, is the preferred terminology and approach internationally, as this snapshot of the state of global corporate philanthropy illustrates.

[The Bar Is Rising on Sustainability Leadership](#)

23 January, 2013 | Director Notes

In a reflection of ongoing corporate efforts to define and achieve sustainability goals, real performance on sustainability is rising. On the other hand, stakeholders' perceptions about organizations' performance are declining.

[Will Your People Be Ready? Top executives reveal how they are addressing today's meteoric pace of change.](#)

16 January, 2013 | The Conference Board Review

Two dozen top executives discuss how they're managing their people to deal with the increasing rate of change.

[Corporate Philanthropy in China: A Practitioner's Guide for Foreign Donors](#)

21 November, 2012 | Research Report

This report describes China's nonprofit sector and the challenges for foreign donors who wish to get involved with Chinese nonprofits. It also gives suggestions for identifying and partnering with organizations.

[Think Different? Real diversity means getting past groupthink.](#)

08 October, 2012 | The Conference Board Review

How is it possible that organizations have achieved outward diversity but not diversity of thought? This article explains.

[The Marketing Monster: When executives begin to believe their own hype.](#)

08 October, 2012 | The Conference Board Review

BP offers a cautionary tale about how a company can fall victim to its own deceptive empowerment marketing strategy. An excerpt from Jonah Sachs' book "Winning the Story Wars."

[Leveraging Corporate Security for Business Growth and Improved Performance: The Transformative Effect of 9/11](#)

11 September, 2012 | Council Perspectives

Security has become a core function, embedded in disciplines like finance, law, human resources, quality, supply chain, marketing, and operations.

[Education and Corporate Philanthropy: Focus Funding for Maximum Impact](#)

09 August, 2012 | Council Perspectives

Developing a lens through which to evaluate each potential corporate philanthropy program is critical to success and maximizing impact.

[Theory to Practice: Management by Imitation](#)

09 July, 2012 | The Conference Board Review

Columnist Michael Raynor explains how a biography of a leader—even Steve Jobs—cannot serve as a good blueprint for one's own life.

[Water Worries: How Incorporating Long-Term Risk into Strategic Planning Pays Off](#)

11 June, 2012 | Council Perspectives

How companies manage risk, opportunity, and scarcity today will determine the long-term value they create for stakeholders and society, and the world's dwindling water resources are a pivotal case in point.

[Giving in Numbers: 2012 Edition](#)

05 June, 2012 | Research Report

How and how much do Fortune 500 companies donate? This report analyzes 2011 trends among 214 companies, including 62 of the top 100.

[The 2011 Corporate Contributions Report](#)

29 November, 2011 | Research Report

This report is based on the 2011 edition of The Conference Board Corporate Contributions Survey, which gathered data on charitable contributions made by U.S.-based companies in FY2010.

[Making the Business Case for Corporate Philanthropy](#)

01 August, 2011 | Director Notes

This report discusses the issues surrounding corporate philanthropy and provides practical recommendations to companies and boards for increasing the accountability and transparency of corporate giving programs.

[Leading Outside—and Inside—the Lines](#)

30 June, 2011 | Executive Action Report

Drawing on the work of Jon R. Katzenbach and Zia Khan, this Mid-Market Conversation Starter suggests ways in which informal networks can help address business problems.

[Does CEO Education Matter?](#)

17 May, 2011 | Director Notes

This report analyzes data on the education of 1,800 individuals who served as CEOs of Standard & Poor's Composite 1500 companies to determine the effect of education on CEO turnover and firm performance.

[Competitive Intelligence: A Critical Tool for Innovation](#)

28 April, 2011 | Council Perspectives

The "next big thing" could hit at any time and revolutionize your industry, leaving you with outdated products, processes, partners, and business models. Competitive intelligence (CI) can provide critical insights into what your competitors are doing.

[Building Sustainable Integrity into Organizational Strategy and Operations](#)

25 April, 2011 | Executive Action Report

To protect a company's integrity, there must be a strong ethics, compliance, and integrity program in place—one that is fully integrated into the organization's mission, strategy, and operations.

[What's the Story?](#)

01 April, 2011 | The Conference Board Review

Narrative, character, drama—Peter Guber knows how to get your attention.

[Investing in CSR to Enhance Customer Value](#)

15 February, 2011 | Director Notes

This report, which is based on the analysis of 163 articles from the most relevant empirical literature on the subject, offers a number of practical recommendations to business leaders embarking in CSR programs for their companies.

[Employers and U.S. Public Education – Facilitating an Open Discussion about the Role of Business in U.S. Public Schools](#)

04 February, 2011 | Council Perspectives

A guide to be used by employers to discuss with employees why they invest in education and how employees can engage in those programs as well as become better consumers of education.

[Program Inventory](#)

[Watch What You Say!](#)

03 January, 2011 | The Conference Board Review

Business talk communicates less than you want—and more than you mean.

[Leadership as Performance Art](#)

09 November, 2010 | Executive Action Report

While acting skills are sometimes useful for leaders of companies, there can be no excuse for dissembling on important cultural values.

[Culture Crash](#)

01 October, 2009 | The Conference Board Review

A Lehman Brothers insider reveals why the firm's best traits turned out to be its worst.

[The Role of the Board in Turbulent Times: Leading the Public Company to Full Recovery](#)

25 September, 2009 | Research Report

The Role of the Board in Turbulent Times offers corporate directors guidance on how to approach their oversight responsibilities during a period of financial distress.

[The Role of the Board in Turbulent Times... CEO Succession Planning](#)

12 August, 2009 | Executive Action Report

Management succession is one of the most critical strategic risks a corporation faces and a favorite topic of discussion on the role of the board in business crises.

[Waddayaknow? Knowledge Management Can Be an Organization's Key to Survival](#)

21 May, 2009 | Executive Action Report

This Executive Action report uses three case studies to build a business case for implementing Knowledge Management, and provides tips for making KM work.

[The Role of the Board in Turbulent Times: Avoiding Shareholder Activism](#)

15 April, 2009 | Executive Action Report

This report provides board members with a checklist of issues they should consider addressing in their relations with shareholders and, in particular, how to avoid a costly and disruptive battle with an activist investor.

[Why Are We in Business?](#)

02 March, 2009 | The Conference Board Review

Ad man Roy Spence wants to know what your purpose is.

[Corporate Governance Handbook 2007: Legal Standards and Board Practices](#)

06 July, 2007 | Book

This handbook is intended to be an easy-to-use compendium of rapidly evolving laws and rules and the best practices adopted by leading companies.

[The Nuts and Bolts of Execution: Putting Ideas to Work](#)

30 June, 2006 | Executive Action Report

Execution links strategy with results, but it's not a prescribed program; those who understand execution don't confuse activity with accomplishment.

[The Role of U.S. Corporate Boards in Enterprise Risk Management](#)

29 June, 2006 | Research Report

Evolving legal developments make a robust ERM oversight process more important than ever for directors, who acknowledge in increasing numbers that overseeing risk is part of their role.

[Defining Corporate Governance Best Practices to Add Firm Value](#)

20 September, 2005 | Executive Action Report

European family-controlled public companies tend to perform less well in the stock market than their American counterparts. Would best practices followed by family firms in the United States be helpful examples for similar enterprises in Europe?

[Why Ethical Leaders Are Different](#)

10 May, 2005 | Executive Action Report

Ethical leaders understand that top leadership support of ethics programs, open debate, and institutional sustainability are crucial to effective decision-making.

[Corporate Citizenship in the New Century: Accountability, Transparency, and Global Stakeholder Engagement](#)

23 July, 2002 | Research Report

This report, based on the views and experiences of corporate managers of citizenship programs, CEOs, and board members at over 700 companies, examines the state of global corporate citizenship practices, expectations, and trends.

[Corporate Citizenship in the New Century: Accountability, Transparency, and Global Stakeholder Engagement](#)

23 July, 2002 | Executive Summary

This report, based on the views and experiences of corporate managers of citizenship programs, CEOs, and board members at over 700 companies, examines the state of global corporate citizenship practices, expectations, and trends.

[The Expanding Parameters of Global Corporate Citizenship](#)

10 June, 1999 | Research Report

The parameters of sound corporate citizenship have moved beyond traditional monetary grants to encompass concerns such as sustainable development, human rights, and the quality of life needs of outside constituencies.
