Listen, Understand, Act: Getting to a Starting Point

In the days following the death of George Floyd, many brands showed their support for communities of color, but were plagued with the public’s questions of, “Why now?” Join speaker Ashley Morgan to hear how her impactful story led their brand on an inspiring journey to listen, understand, and then act, to ensure they delivered authentic and meaningful messages.

Ashley Morgan, Director, Internal Communications, European Wax Center

Panel Discussion: How to Demonstrate Your Value to the C–Suite

As communications experts, we see the need to demonstrate our expertise and worth to the C–Suite, but what’s the most effective way to accomplish this without looking like we are posturing? Among the questions we’ll consider as part of this discussion are:

- How do we describe our work?
- How do we ensure alignment with business objectives?
- How do we measure success and present results?
- How do we demonstrate strategic thinking?

Moderator
Jill Christensen, Program Director, The Conference Board

Panelists
Mark Hyde, Assistant VP – Employee Communications, AT&T
Marti Powers, External Relations Country Manager, U.S. & General Manager, Global Shales, Shell
Ashley Morgan, Director, Internal Communications, European Wax Center

ESG: The Communicator’s Roadmap for a New Business Imperative

Increasingly, companies are expected to have a positive impact across a number of non-financial environmental, social, and governance (ESG) dimensions. Stakeholders - including employees, customers, communities, and policymakers - are demanding action and transparency, which has significant implications for a company’s business, brand, and reputation. This session explores why corporate communications is central to an effective ESG strategy and how to drive that message - even in a difficult environment.

Peter Gudritz, Director, Office of the CEO & Executive Communications - Global Public Affairs, Dow

Pulsing Organizations Through Change

Change is one of the only constants in our world. The organizations that are going to come out on top are those which understand how and when to do it, who should be involved, and what to do with the results. By leveraging data-driven change, you can inform decisions around how you design/build/manage your change strategies. HP will show us how.

Debby McIsaac, Global Head of Employee Engagement & Social Impact, HP

Seven Lessons in Leadership Communications
