A Bipartisan Fiscal Commission to Tackle the National Debt

Goals: Break the political impasse and restore Congressional powers.

CED

$38 trillion
in debt

SOLUTIONS

Strategic objectives addressing the Federal government's long-term fiscal condition

~

Only current Members of Congress as voting members, assisted by outside experts

~

A bipartisan majority for final recommendations, strict timelines, and a mandatory vote in Congress

~

A public education campaign on the debt and urgency for action

~

All spending and revenues on the table
