

## Research Working Group Application

### Future Skilling Current Employees to Meet Your Workforce Needs

Yes, we would like to participate in this Research Working Group. We understand that in order to qualify for RWG membership, our company must be an Associate member of The Conference Board. The Conference Board may use the name and logo of our organization in materials relating to this group, including, but not limited to, a list of participants in research reports and on the TCB website.

**Research Contribution:** \$18,000 per company enables two executives to participate and have access to the research and subject matter experts, peer benchmarking and reports. This fee covers all materials and meals during meetings, but does not include travel & hotel to in-person meetings. A \$4,000 courtesy reduction in the contribution fee will be extended to companies that hold a membership in The Conference Board’s Councils on Learning, Education, HR and Strategic Workforce Planning.
