Economic Development
of The Conference Board**

Steve Odland
President and CEO
The Conference Board

Some of the critical questions and issues we will be answering today

- The reaction of NATO if Russia invades Ukraine.
- Implications of the Ukraine crisis for China's policy towards Taiwan, a major supplier of computer chips and other essential electronics products.
- The Russia-China Axis: the current state of the relationship, how it may evolve, and the economic and security implications of this alliance.
- Other high-risk international scenarios that US companies need to be monitoring.
