The Covid-19 Crisis in India and the Global South - How the Business Community Can Help

May 11, 2021

# Some of the critical questions and issues we will be answering today

- What's the current situation of Covid-19 in India and the Global South?
- How are companies extending their support in the fight against the spread of the virus in India and Global South?
- How are companies, NGOs, and governments working to administer vaccines to areas of the developing world?
- What needs to be done in other regions to prevent similar outbreaks?
